Greg Donahue Collector Car Restorations, Inc. has been in business since 1972 (37+ years) dealing exclusively in 1963 and 1964 full size Ford New Old Stock and Reproduction parts and accessories. Greg was the first person to reproduce parts for the 63 and 64 Galaxies which helped to build their popularity. All of the parts that are reproduced must be approved by Greg Donahue to his satisfaction both in design and fit before they are sold. This is your assurance that these parts are totally correct for any 63 or 64 full size Ford restoration. All of the parts listed in this Catalog are in stock for immediate shipment. The only time you will need to call to verify stock is if the item is listed as Limited Supply. This means that we may only have 25 or 30 of this item available. You can rest assured that we will be able to totally fill your order 99% of the time. We do not backorder parts on any parts order. Occasionally demand for one particular part may exceed our present stock. In this case, we would refund your money and let you know when to re-order this item. Since we totally control the manufacturing of our reproduction parts, it is highly unlikely, in most cases, that we cannot totally fill an order. Everything that we manufacture is sold exclusively through Greg Donahue Collector Car Restorations, Inc. We do not sell to any other dealers.
