*"How To Restore Your Musclecar"* is the biggest and best restoration book on some of the biggest and best American cars ever built. In fact, this is the most complete restoration guide ever published on any car!

More than 1300 photographs explain the whole restoration process from disassembly to choosing an engine shop, rebuilding chassis-frame and uni-body cars to the first drive.

The restoration of twelve project cars is covered, including a 1968 Yenko Camaro, 1966 Pontiac GTO, 1969 Dodge Charger 500, 1963½ Ford 427 Galaxie 500 Fastback, 1973 Pontiac Super Duty Trans Am, 1966 L79 Nova SS and a 1966 Dodge Coronet Hemi.

Paul Zazarine is Author of Pontiac GTO Restoration Guide and GTO Recognition Guide and numerous other books.

Greg Donahue is one of the premier musclecar restorers. He has won more than 185 National Awards, ranging from the AACA Senior to the Gold Spinner Award to the prestigious NCRS Duntov.

This is a rare book sharing all the details for a top-quality restoration, including Greg Donahue's professional tricks of the trade and refinishing secrets to assist you in restoring your musclecar to authentic original condition. "How To Restore Your Muscle Car" is the first tool you need for restoring your muscle car.
