PINCH WELD WINDLACE

This is the flexible vinyl windlace with the steel core. It snaps onto the metal edge of the center post on all 4-Door Sedans, 4-Door Hardtops and Station Wagons. The windlace covers the sharp metal edge where the two pieces of metal are welded together. The exterior has a basketweave or grain design and a metal core.

Specify color and number of feet needed.

Black: PWB
Blue: PWBE

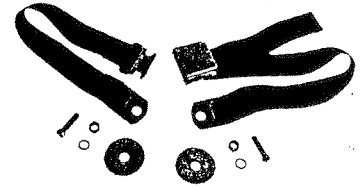

White: PWW
Red: PWR

\$3.00 Per Ft.

1963/64
