\$7.50 Each

1963-64 COURTESY LAMP SOCKET & WIRING ASSEMBLY UNDER DASH

All Fastbacks, Convertibles, Boxtops, 64 4-Door Hardtops
Socket With Wiring

C3AB-13A709A

\$20

1963-64 FUEL TANK SENDING UNIT WITH GASKET

All (Except Station Wagon)

C2AZ-9275C/D

\$90

1963-64 FUEL TANK SENDING UNIT FLOAT

This is the brass float that attaches to the arm of the fuel tank sending unit. With age these floats sometimes absorb fuel and then give the sending unit a false reading.

(This float is included with a new Sending Unit)

C0AZ-9202B NOS

\$8

1963-64 FUEL TANK SENDING UNIT PICKUP TUBE FILTER

This is the filter at the end of the sending unit's pickup tube. It is used in all Models and Body Styles. Included with new sending unit.

C3AZ-9A011A

\$22

1963-64 FUEL TANK SENDING UNIT GASKET

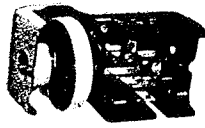

(Included with new sending unit)

1964	HEADLIGHT SWITCH LIMITED SUPPLY			
	C4AZ-11654A	NOS		\$100
1964	HEADLIGHT SWITCH			
	This is a quality aftermarket replacement 1964 Headlight Switch. It mounts and plugs in exactly the same as the NOS switch. The only difference is that the headlight knob will be 1/4" further out from the dash bezel than the original switch. This will not make any difference and is not really noticeable.			
	C4AZ-11654RP	Replacement		\$60
1963-64	HEADLIGHT DIMMER SWITCH			
	All Models			
	C0TZ-13A024A			\$9
1963-64	HEADLIGHT DIMMER SWITCH ELECTRICAL PIGTAIL CONNECTOR			
	This is used to replace the dimmer switch electrical connector without having to replace the whole instrument wiring harness.			
	C0TZ-13A025A	All		\$6

1963-64 HEATER RESISTOR (3-Speed Switch)

Mounts on Heater Box

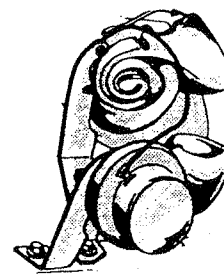

C2OA-18591A

\$19.50

1963-64 HORNS

ALL MODELS. Original snail shell style

These horns are a reproduction of the original snail shell style. They have a wire and connector instead of the plug on type. You have to re-use the mounting brackets from the old horns.
